

Dear Mr McCarthy

My Mother moved into apartment 12 on the
15th August.

We have been well supported by Penny, Madeleine
and Abi during the purchase and since my Mother has
moved in. Nothing is too much trouble for this team
who support each other, are very caring and effective.
All three are a credit to the Churchill organisation.

My wife and I did wanted to bring their excellent
customer relations to your attention.

Regards

Peter Greensmith
